The Ministries of Christ Church St Andrews

Please give thanks for answered prayer for

- The ministries that God has led us to set up and be involved with.
- The way God has used these ministries to help people come to faith and grow in faith.
- The way these ministries have helped us to have a positive impact on our community sharing the good news of Jesus through word and action.
- The care and love that is shown amongst our church family.

Please pray for

- Our church family to be welcoming to all who come through our doors so that all can engage with the Lord Jesus.
- Our church family as we continue to seek to reach out with the good news of the gospel.
- The church family to remain united as we seek to discern the way God wants us to go in the face of many challenges from outside.
- The gospel to continue to bear much fruit so that we see lives transformed by the gospel.
- God to show us how he wants us to reach out with the good news of the gospel through 2026.
- God to show us how he wants us to help God's people at Christ Church St Andrews grow in their faith through 2026.
- God to help us as we look to continue what we do well in 2026, build our youth work with the ability to appoint a youth work and develop the leadership of the church.
- God to help us as we look at our work amongst families and discern what he would have us do to better support the families that we have contact with at the moment.
- God to help us develop the way we care for those in our church family especially helping us to see if we need to look at new ways of doing this.
- The PCC, MLC and staff team as they seek to oversee the way God leads us so we will be in line with his will.

Please pray for anything God lays on your heart.

partnership in the gospel

Please give thanks for answered prayer for

- The rebooking of assemblies and services by all the schools including Herne Bay High.
- The amazing attendance and opportunities that Remembrance gave us in answer to our specific prayers.
- The ways we proclaim God's salvation as a church family.

- The parents at the school services would listen.
- The children at the school services to hear God speak to them
- People would fill in cards for Christianity Explained and join the group.
- The planning of all the services goes well.
- The people who will assist by playing music, reading and serving in so many practical ways.
- The teenagers at Herne Bay High to listen to the assembly.
- The care home services to strengthen and reawaken faith.
- The Lord will use this month to draw people closer to himself especially those who do not yet know Him.
- The church services to attract people to Jesus.

Please pray for anything else as the Lord leads.
